

AMERICAN HISTORICAL SOCIETY OF GERMANS FROM RUSSIA  
Chapter One  
Lincoln, Nebraska  
October 27, 1970

Dear AHSGR Member:

We are sorry you missed the dinner on October 8. 211 attended and we had a good time. To keep you informed we're sending you a copy of the program and a questionnaire which we hope you will fill out and return to us at 601 D Street.

One of the announcements made at the dinner was that the next International Convention of the American Historical Society of Germans from Russia will be held here in Lincoln, June 17-20, 1970. The Villager Motel and Convention Center has been reserved for the event. We will need your help to make it a success.

We also exhibited the beautiful Commemorative Plate which was presented to the members who attended the Convention in Greeley. The plate tells the story of the Germans from Russia and is a beautiful tribute to our forefathers. It is now available at \$2.95. If you are interested in having one of these plates, mail your check to Mrs. Gerald Willis, 219 D Street, Lincoln, Nebraska 68502. Keep it in mind as a Christmas gift for members of your family. This Commemorative Plate has been placed in more than 25 museums throughout the United States.

We hope you will be able to attend the next meeting of our Lincoln Chapter. We'll be sending you a notice about this after the holidays.

AHSGR Chapter One Board

P. S. Please return the questionnaire so we can make a directory of our members and the colonies they represent.
