LINCOLN CHAPTER SETS ANNUAL MEETING FOR JANUARY 20, 1974

Note the date on your calendar---set aside January 20, 1974---for you won't want to miss this gathering of your No. 1 Chapter. The meeting is scheduled for 2 P.M. at the American Forward at 8th and D Streets. Featured will be a motion picture which was taken in NORKA, RUSSIA, in about 1927. The film was first shown at the Portland convention last June and your chapter is the first to have the privilege of showing it to members at a local meeting. We feel sure that some of you who came from Norka will recognize some of the people. The picture is typical of what the colonies along the Volga were like in the 1920's.

Also on the schedule is the election of members to the Board of Directors. There will also be the usual opportunity to visit with friends during a period for refreshments. Come and bring friends.

CHAPTER MUSEUM IS GROWING

We have received a number of new and interesting items, some donated and some on loan, for our chapter museum at 615 D Street. An open house on December 30 brought out about 100 visitors. More and more friends of members are becoming interested in the project so why don't you bring your relatives and friends to see the exhibits.

Before the holidays a first grade of 25 children from Park School and a second grade of 24 from Saratoga School came to see the museum and then sang carols around the small Christmas tree. As they left our oldest member, H. J. Amen, presented each one with a bag of treats.

WE STILL NEED HELP

It is your help that we need at headquarters. Don't wait for the other person to do your share. Call us when you have a few free hours. There is always work to do.

1974 DUES ARE DUE NOW

Some of you have already sent in your membership dues for 1974. Every member received a notice with an envelope to make it simple to pay your dues. If you have forgotten to take care of this, please do so now. Or, you may make the payment at the meeting on January 20.

Those who were paid-up members in 1973 can expect another WORK PAPER which we hope will be in the mail this month.
