

AHSGR CHAPTER ONE NEWS

Lincoln, Nebraska

April, 1976

NEXT MEETING SET FOR APRIL 25

Save the afternoon of Sunday, April 25, 1976, for the next membership get-together. We will be meeting at the Welfare Society at 1430 N. 10th Street. There is plenty of parking behind the building and you may enter at the door nearest this area.

Our speaker, Mrs. Margaret Anderson, will tell us about her recent trips to Russia, illustrating her presentation with slides. There will also be a short business meeting and a report on plans for our coming convention in Denver. As usual, there will be time for refreshments and visiting.

Come and bring your friends and prospective members. Please make a special note of the time--1:30 P.M.

615 D SURROUNDED BY NEW CARPET

If you had driven by headquarters a couple of weeks ago you would have seen a crew engaged in planting zoysia plugs in the soil surrounding headquarters. In a few more weeks we expect to see the results of their hard work.

In the crew were Harold and Jake Bauer, Diffy Froscheiser, Jack Lofink, Jake Younger, and Rudy Amen, who also prepared the soil for the new planting.

Next time you drive by take a look at the tulip bed which will be in full bloom for the second time. The bulbs, furnished by Jake Sinner, were planted by Ed and Steve Schwartzkopf.

In a few weeks we will be looking for a crew to set out flowering plants. If you enjoy gardening here is your chance to volunteer.

NEW GENEALOGY FORMS DUE

Call Ruth Nuss, 488-6181, if you have questions about the new forms you will receive with Clues. She is Chapter One Genealogy Chairman.

CHAPTER ONE VOTES SCHOLARSHIP FOR SUMMER PROGRAM IN GERMANY

The Lincoln Public Schools are sponsoring an exchange program which will bring students from Germany to Lincoln this spring. Students will live with families while here and learn about school, community, and family life in our city. Mr. and Mrs. Ferdinand Nuss and Adell, are among the fortunate families and have a student from Germany living with them.

In exchange, an equal number of Lincoln students will be going to Germany this summer for a like experience. We are very pleased that one of our members, Adell, will be in that group.

Our chapter has agreed to provide one scholarship of \$250.00 to make it possible for a student who could not otherwise go be a part of this wonderful exchange program. We want to explain that Adell is going on her own and that our contribution will be given to another student. The student who goes to Germany with our help will report on this wonderful experience next fall.

We hope that all our Lincoln Chapter members will wish to help us raise the funds for this scholarship. We have the promise from one of our members for matching funds.

If you would like to help, please send your contribution to headquarters. So far as we know this is a first for AHSGR chapters and we will be very proud to announce at the convention that we are again #1 and taking the lead in another very worthwhile project.

Send your contribution now--any amount, \$1.00, \$2.00, \$5.00, or whatever you wish. No amount is too small. We must send in our check very soon so please do not delay. Address it to AHSGR, 615 D Street, Lincoln, Nebraska 68502.
