A MEETING FOR ALL MEMBERS APRIL 9, 1978

Spring is in full swing. The moderating weather should put all AHSGR members in the right mood to come out for our meeting on Sunday, April 9, at 2:00 PM at the American Forward Bldg., 745 D Street. Please circle this date on your calendar

An interesting program is planned and we hope for a good turnout. Mr. and Mrs. Norman Dudek of Bladen, NE will present a program on The First "Kolbera" to America - 1876. Slides will be used to illustrate their presentation.

Refreshments, of course.

MARCH 27-28-29, 1978 ARE NOODLE MAKING DAYS

We are asking for volunteers to help make noodles for the Centennial Arts Festival to be held in April on the Centennial Mall. We will have a booth to sell our noodles, runza, and rye bread.

Call Marie Willis at 432-3747 or 435-5032 if you can help us.

GARAGE SALE IN MAY

You will be doing spring house cleaning soon. Please save your discard items for our garage sale. The exact place and time will be announced at our April meeting.

GENEALOGY WORKSHOPS A SUCCESS

Despite the bad weather we had a nice turnout at each of the genealogy workshops planned by Irwin Ulmer, our chapter genealogy committee chairman.

Following are dates-April 17th at 1:30 and April 20th at 7:30 PM-for the next genealogy work shop sessions. Please come and get your sheets and get started on your family history. This is the way to get listed in the AHSGR Surname Exchange.

WE WILL SEE YOU ON APRIL 9

OUR FOUNDATION PROJECT

Books of tickets are available to sell for the Fund Raising Project for the AHSGR Foundation. Letters are coming from other Chapters requesting tickets. We hope to make a nice contribution to the Foundation and thereby set an example for other Chapters around the country. Let us know if you wish a book of tickets which are \$1.00 each. These are for a drawing for a beautiful applique quilt and several other nice prizes.
