Fall Meeting and Carnival

The annual Fall General Membership Meeting will be held on Sunday, September 16, beginning at 4:00 at the Antelope Park Shelter in Antelope Park. After a short meeting the fun really begins – the picnic and carnival.

Lee’s Restaurant will be catering the picnic with chicken, mashed potatoes, and corn. Included in the meal will be beverages.

After our meal the always-popular carnival begins. Patrons try their hands at games such as ball toss, spin the wheel, duck pond, bean bag toss, tic-tac-toe, ring the bottle, and Plinko. Each time they score at a game participants win tickets for prizes. They can then choose which prizes they are interested in winning by putting the tickets they won into a jar for a specific prize. If their name is drawn, they win that prize. Come one, come all for a really good time.

Annual Broda Dinner

Our annual broda dinner is once again upon us. This fall the dinner will be on Friday, October 5th, from 5:00-7:00 p.m. at the WSI Hall, 1430 North 10th Street.

The “all you can eat” event is still only \$12 for adults and \$6 for children 12 and under. How does roast beef, potatoes and carrots, creamy green beans, breads, and desserts sound? The talented Paul Loos is your master chef.

As per custom, a hand-made quilt will be raffled off over the course of the evening. One need not be present to win the quilt. Quilt tickets are \$1 each, or six for \$5. Dinner and quilt tickets may be purchased from any board member or at the door the evening of the broda.

The Norwood Park Elementary Leadership Club will once again make an appearance as a community service project. They will be there to help clear tables and interact with guests.

Enjoy food, friends, and fellowship on the 5th!

North Bottoms Memories

- - Treasures Found

Submitted by Becky Schenaman

My sister Donna called this morning and told me that my favorite neighborhood in Lincoln was having their annual garage sale today, so we decided to go after lunch. This is an old neighborhood of well-kept homes. I try to go every year because the people that live there collect the same old stuff I like.

This year was not a good sale day. I found only two items I liked. For some reason I have not gone to a lot of sales this year, but this time I did find two neat items.

One was a Zither musical harp. This one was made in New Jersey in the early 1900's by a man named Schultz who made musical instruments.

But my favorite catch of the day was a Catholic church altar piece, "Our Lady of Perpetual Care."

Over the years I have picked up several Russian icons of Our Lady, so I put them all together and made a display of them at the top of my stairwell. They really look pretty there. Sometimes you collect pieces that over the years should all be put together. This is what happened to my Our Lady items. It is strange how we are drawn to the same items over and over through the years. I really like to display them where I can see them coming up the stairs.

Ever since I was a young girl I have liked saving things. One day as a girl my friend Linda and I went through the garbage cans at a grocery store that was across the street from our house. It was Little Gus's Market and he had rooms he rented in the attic of the store.

That day we found a bunch of glass negatives from a photographer. We spent a long time looking at them, but being children we were

not smart enough to take them home. We left them and I have always regretted it. So, being a collector is just in my blood.

I have spent many years looking in antique stores for a black metal cat head that had a push-up stick. When you pushed it down the eyes flashed. I had this toy as a child and left it behind when we moved. I found a broken one a few years ago and bought it but have never seen another. This is how I spent my summer searching for treasures and memories. I hope your summer was just as interesting.

Mocks Goot.
