## IT'S BRODA TIME IN CHAPTER ONE

Thursday, December 13th, 6:30 PM has been set for our annual "Broda" dinner. We know it is a busy time of year but we hope all of you will save this one evening for fun and fellowship with the members of your AHSGR Chapter. The event will take place at the National Guard Armory at 1776 North 10th Street.

Tickets for the dinner are \$3.00 for adults and \$1.50 for children under 12 years of age. Please send your order for tickets with check and a self addressed stamped envelope to Mrs. Gerald Willis, 219 D Street, Zip 68502. Or, you may buy your ticket from any board member. In either case we must have your reservation by December 10.

The program? A good, old fashioned Christmas program. Come and be surprised.

If you would like to help with the preparation or serving, please call Mrs. Magdalene Novak, phone 488-2852.

## OUR AHSGR MUSEUM IS GROWING

Have you visited our AHSGR Headquarters and Museum? If not, you have missed a real treat -- an opportunity to recall the good old days. The official dedication and ribbon cutting ceremonies took place the weekend of November 2-4 when the international board held meetings at 615 D Street.

We keep adding items that are donated or loaned so even if you have been here before you would find a second visit interesting. Do keep the society in mind if you have something to exhibit.

If you would like to bring a group of friends to see what we've accomplished, feel free to call and set up a time. Phone 477-4524.

## COULD YOU BE AN AHSGR VOLUNTEER?

One reason for bringing international headquarters to Lincoln was that we have such a splendid work force to assist with all that needs to be done in an organization as large as our society has become. Some of our members have been putting in as much as 15 to 20 hours a week during this period of getting settled and organized.

We need more volunteers to make the load easier for these folks and we know many of you would find helping at headquarters interesting. We would like to set up a schedule for people to be here so that we could have the museum open to visitors several afternoons each week between the hours of one-thirty to four or four-thirty. There is always something to do in the office in the event there are no visitors on a given day. Some people find it more pleasant to be here with another person so if you would like to find someone to work with you that is fine.

If you would like to volunteer for duty at headquarters, please call Ruth Amen.
